YALA Art Live

The fun doesn't end after the conference! Join Young Audiences of Louisiana at a spirited local brewery to watch talented art students from Young Audiences Charter Schools collaboratively paint with professional New Orleans area artists. Paintings created at the event will be auctioned to support YALA's afterschool and summer programs.

This event will take place on Friday, April 1st at Urban South Brewery which is graciously donating a portion of every pint sold during our event. Details to follow about this free, fun fundraiser!
